NOTICE TO COMPLY WITH SEQUENCE RULES

Dear Sir:

This responds in full to the Official Action mailed January 24, 2000. This response is timely filed by virtue of the enclosed Petition for Extension of Time, extending the time for response through and including June 26, 2000, thereby extending by four months the one-month extendable deadline set in the Official Action.

Restriction Requirement

This responds to the three-way restriction requirement of January 24, 2000. It is respectfully assumed that the Examiner meant to state that a provisional election *without* traverse was made telephonically by Applicant on December 27, 1999. Notwithstanding, Applicant confirms the provisional election without traverse of the invention of Group I. Please cancel claims 4-9 without prejudice. The Applicant reserves the right to prosecute, in one or more patent applications, the canceled claims and any other claims supported by the specification.
